Easy Peach (or ??) Cobbler

2 to 3 cups fresh sliced peaches (or other fruit, or mix)
½ cup sugar
¾ stick butter or margarine

BATTER:

1 cup sugar
¼ teaspoon salt
2 teaspoon baking powder
¾ cup flour
¾ cup milk

Combine peaches and sugar to taste. Let stand while mixing batter.

Melt butter or margarine in a large (2 quart) casserole or baking dish (9" x 9").

To make batter: Mix the dry ingredients, and beat in the milk until lumps are gone. Pour batter into the melted butter. DO NOT STIR.
Spoon the sliced peaches over the top of the batter. DO NOT STIR.

Bake 45 minutes in a 350 degree oven, or until the top is brown. Serve with ice cream or fresh cream if desired. May be reheated.

NOTE: You can use other fresh or frozen fruits. I've used blackberries and peaches mixed, or blackberries alone. Have also tried fresh strawberries and peaches….great! Adjust the amount of sugar you put on the fruit to taste. If you use frozen fruit, get unsweetened or it may be too sweet.
